

STRENGTH THROUGH UNITY

One person standing alone will have little impact on the future of the cattle business, but that person with other cattlemen across the state can make a difference. Today, the cattle industry faces many challenges; health issues, changing regulations and increased competition from other meats are only a few. To meet these issues head on, we need a strong organization to represent cattle interests. WVCA is the organization that stands up for cattlemen. Join today! Help yourself and other WV cattlemen have a stronger voice in the future of our industry.

All members receive the “West Virginia Cattleman”
